

Describe a place that can be good to relax (except home)

1. where this place is;
2. what it is like;
3. what you can do there
4. **and explain why you think it is a good place to relax**

One of the relaxed place for me is the playground, which locate just serve hundred meters near student's dormitory in our university. We. the weather is good and is fresh. I like to run in the playground especially in night. because night is more quite than day. When the air is bad, I prefer to stay at rooms. cause I don't want to breath too much particular matter and other pollutions in the air.

Running is good habit, it can relax me after a day's work. Every time after I run about 3 kilometers, I was a little tired, that help me have a good rest at night. Sometimes when I was confused or annoyed, I also like until I have no energy. It can help me forget the difficulty and realize the most important thing in life is our true itself.

question 1

One of the relaxing places for me is the playground in my university, which is located just several hundred meters near to student's dormitory. When the weather is good and the air is fresh, I like to run in the playground especially at night because it is quiet at night than that at daytime.

My playground includes equipments that attract and challenge students and get them excited about getting outdoors, such as Parallel bars, table tennis desk and so on. Overall, it is oval. The red edge of the oval is runway for running and walking and the inside, blue part of the oval, is made from a special soft rubber. Student sit inside and make conversations each other.

question 2: equipments attract student; oval(edge and inside)

question 3

I do not like playing table tennis or has no interest in playing parallel bars. The main thing I do in my playground is running.

two aspects: atmosphere, good view

I think my playground is a good place to relax. ★For one thing, there are a lot of students coming here for exercise at night, which makes me feel so involved. I am not alone, and it seems that I had have lots of company. You know when people do things alone, it is easier for them to give up. Students here are talking and singing. I really treat it as a good university atmosphere. ★For another, it is a good place to appreciate Beijing night view. Many tall buildings with colourful lights decoration look like stars, very spectacular. In addition, the trees and flowers around my playground also contribute to the beauty. When I run around, I feel breeze, enjoy the view, and release my work fatigue; it is so cool. Running here helps me have a good rest at night. Sometimes like to run in my playground until I have no energy. It is a really good place to relax.
