

Describe a popular place where people go swimming

1. Where it is
2. Where it looks like
3. What kinds of people usually go there
4. and explain why people like to go there

In my hometown, there's a great place to go swimming. It is located in the southern part of my house. It only takes 20 minutes to go there by bike. I like to go all the time, especially in the summer months because it is super cool in the water and I cool down from the heat of the day.

question 1: where it is

question 2

The bay is so clear and clean that you could see mud in the bottom. In the distance, it looks like a blue fish. This place is incredibly popular with people of various ages and everyone goes there to enjoy the water and just spend time with their friends and family.

question 3

key 2: shops (necessities and souvenirs)

It is a popular place that people would like to go. At the weekends it is always busy with young children and families and some would even stay and cook lunch on open fires after swimming and spending the morning there. It is a great family day out. I often go there with my grandparents. We talk, swim, and enjoy the beautiful view. That's a great pleasure. In addition, I think the shops along this bay also make this bay very popular. There are all kinds swimming necessities, including swimming trunk, life ring, water toys and so on. They provide well-designed souvenirs as well for visitors. People are allowed to print their own-designed logos on it. I think they are good gifts for friends.

key 1: family gather together place

necessity

a thing that you must have and cannot manage without
Many people cannot even afford basic necessities such as food and clothing.
